ACCIDENT—Quite a serious accident hap-
pened, on the Fourth of July, while firing
a national salute, at the lower grade. The
cannon became so heated that it went off
prematurely, the ramrod shattering the arm
of John Wheeler so badly, it was found
necessary to amputate it immediately; which
operation was performed by Drs. Shack-
ford, Adamson and Plister. Two young
men, named Lane and Stevenson, were also
badly burned with powder, but not serious-
ly hurt.

There are 700 sick soldiers in hospital
at Terre Haute.

The Wheat and Rye crop in Bath
county is unprecedentedly fine this year. Corn
and Oats are doing well also and promise a
large crop. Harvesting is nearly over.

THE FOURTH OF JULY.—The city, on the
Fourth, was remarkably quiet and orderly.
Less enthusiasm than usual appeared to
attend this year's celebration of the glorious
Anniversary of our National Independence.

The Speech of Hon. BENJAMIN WOOD,
of New York, delivered in the House of Re-
presentatives, will be found in full on our
first page, and we have no doubt that it
will be perused with interest by many of our
readers; it cannot fail to strike the right
chord in the heart of every patriotic man in
the country.

The past few days have been exceed-
ingly sultry. Sunday and Monday were the
hottest days of the season, the heat being
at 97 and 92° by the thermometer.

We are requested to state that a Grand
Pic Nic will come off, in Jno. A. KIRK'S
Woods, Charleston Bottom, on next Satur-
day, the 12th inst. All those wishing to
spend a pleasant day had better be on hand.

BY TELEGRAPH.

NEW YORK, June 8.—A letter in the
Times places our loss in the recent battles
at 25,000.

A letter to the Herald reports the death
of Col. Woodbury, at the head of the 4th
Michigan Regiment. This regiment has
been terrible cut up—53 killed, 150 wound-
ed and 33 missing. Among the officers
killed is Captain Ross, who was formerly
Principal of the Union Academy at Mon-
roe, Mich. In his company were a large
number of his former pupils, eleven of whom
are among the killed and wounded.

A Winchester letter of the 21 reports
that General Geary's Command was advanc-
ing into Big Foot Valley. His advance
fell into an ambush near Fort Fumance.
A skirmish ensued in which two caval-
rymen were wounded, not fatally, and the
rebels were driven from the rocks and stone
fence. General Geary holds the ground
gained.

FORTRESS MONROE, July 6.—General Mc-
Clellan has advanced up James River about
seven miles since the 4th.

CAIRO, July 8.—The steamer Sunshine
arrived at Vicksburg on the 31st inst. The
bombardment continued until the town was
deserted by all except the military.

The news from White River, Ark., is not
encouraging. Colonel Fitch still holds St.
Charles. No relief has yet reached Gen.
Curtis. The boats were frequently fired on
from the shore.

Breckinridge's division has gone to Vicks-
burg. A large number of Mississippi troops
have also gone to Richmond. Nearly all
the Government stores have been removed
from Grenada. The place is occupied by
2,000 or 3,000 rebels. They have burned
all the bridge-work of bridges between Mem-
phis and Goldwater.

Gen. Hindman has issued an appeal to
the people of Arkansas. He says he intends
to smother the enemy in every possible way,
and asks the people to do their part.

The Federals have evacuated Indian Bay,
St. Charles, and the whole of the lower
White River, and have gone in the direction
of Memphis.

Gen. Curtis left Batesville and crossed
Black River, and is supposed to be march-
ing toward Osage Bridge, with a view of
reaching the Mississippi River via Crowley's
Ridge.

WASHINGTON, July 8.—A late Rich-
mond paper states that Beverly Robinson,
with the Fourth Virginia Cavalry, has been
appointed Brigadier General, and takes the
late Col. Ashby's Command.

Complaint is made of the inhuman treat-
ment of their soldiers by our own on the
Peninsula. Several Georgians, it is said,
were found hung; and many bodies mutil-
ated; but this is known to be untrue.

**Rebels Claim a Victory—Their Loss
Admitted to be 15,000.**
[Special to the Post.]

WASHINGTON, July 8.—Richmond papers
of July 4 are received, and are full of de-
tails of the late battles. They claim a vic-
tory as the general result, but admit a se-
vere defeat on Tuesday.

The Examiner says 15,000 will not cover
their losses in killed and wounded during
the week. The impression of military men
on the Peninsula was that 30,000 would be
near the number.

COMMUNICATED.
The Anniversary of the Alumni of Au-
gusta College was celebrated in a most de-
lightful manner last Thursday evening.
At an early hour, the members of the Asso-
ciation and their invited guests, began to
throng the residence of Prof. ARMSTRONG;
and soon the spacious parlors presented a
bright array of beauty and intelligence.
The Programme of Exercises, both literary
and musical, was of the highest order, and
reflected much credit upon all concerned.
The music comprised selections, vocal and
instrumental, from the best authors; and
was rendered in exquisite style. The Es-
says were all of the finest character; and
while the witty personalities of some pro-
voked the smiles of the audience, the beau-
ty and pathos of others were felt and appre-
ciated by all. The exercises were presided
over with mingled dignity and grace, by
the accomplished President of the Association,
Miss ANNA THOM.

After the adjournment of the meeting, all
repaired to the Supper-room; where the
"good things" of life were discussed in a
manner which showed that the participants
were not insensible to creature comforts.
After supper, the happy throng again as-
sembled in the parlor; and with music, song
and social conversation, the hours flew by.
At a late hour, the assembly dispersed; feel-
ing satisfied that the occasion had indeed
been a most happy one. W.

The following resolutions were unanim-
ously adopted by the Democracy of Hickock
county, Ohio, at a late meeting held in the
town of Logan. Similar resolutions are be-
ing adopted by the Democracy of the entire
North, showing that they are unalterably
opposed to the policy of the Abolitionists
now in power at Washington:

Hickock County Democratic Meeting.
Pursuant to notice, a number of the Dem-
ocrats of Hickock County assembled in the
Court-house, in Logan, on Saturday last,
and were organized by appointing E. P.
Talper, Chairman, and W. C. Gould, Sec-
retary, when, on motion, the Chair appointed
F. Case, H. Barker and W. C. Rohrer an
committee to report resolutions expressive of
the sense of the Democracy of Hickock
County, who ratified, and, after consultation,
reported the following resolutions, which
were unanimously adopted:

Resolved, That the Democracy of Hickock
county are unalterably devoted to the Con-
stitution as it is, the Union as it was, and
for the preservation of the one and the pro-
tection of the other, pledge their lives, their
fortunes and their sacred honor.

Resolved, That, in all constitutional efforts
to suppress rebellion and restore peace and
union to our country, the Democracy of
Hickock will give to the administration a
cheerful, zealous and unyielding support;
but the disunion emancipation schemes of
the Abolitionists receive our determined,
persistent opposition, because we believe
that this war ought not to be prosecuted for
any schemes of subjugation, emancipation,
or for any other purpose than to suppress
rebellion and restore the authority of State
and National Governments.

Resolved, That the policy and measures of
the Abolitionists in Congress, in the army
and everywhere else, deserves our condemna-
tion, and the schemes to free the negroes
of the South upon "war-necessity" pleas, or
emancipation or confiscation acts, either by
civil or military authority, we consider to
be unconstitutional, and subversive of the
rights of citizens and States, and calculated
to protract this war, to the great detriment
of the interests of the white people, for
whose benefit this Government was created,
and by whom it has been sustained for more
than eighty years.

Resolved, That the efforts now being made
to overthrow the "contraband law," issued
by pretended "war necessities," deserves our
condemnation and shall receive our con-
tinued opposition, and we call upon our
white fellow-citizens who are opposed to the
immigration of negroes into Ohio and Hick-
ock county to rally around the standard of
the democracy, whose war cry is—"The Con-
stitution as it is, the Union as it was!"

Resolved, That the brave men now in arms
in support of the Constitution, the Union
and the glorious old banner of the Stars and
Stripes, deserve the approbation of every
patriot, and their countrymen should afford
them every aid to mitigate the hardships of
camp-life and the dangers of war.

Resolved, That this Administration, in-
stead of attending to negroes, should have
looked after the comfort of the brave men
now in arms defending the Government,
and instead of spending the people's money
in buying rations for lazy negroes, Congress
should have provided for the dependent fam-
ilies of the soldiers of the Union, and be-
cause Congress and the Administration have
neglected their duty to the country and our
gallant soldiers, they deserve the execration
of every patriot.

Resolved, That the emancipation of the
negroes of the District of Columbia, to say
the least of it, at this time and under exist-
ing circumstances, was an act of impolitic
legislation, calculated to prove injurious to
the cause of the Union and the restoration
of peace, and an act of gross injustice to the
patriotic freemen of the North who are now
in the army, as well as all others who are in
any way or measure to support the Govern-
ment, because the white tax-payers of the
country who contribute of their means to
aid the Government are disgusted to see
their money appropriated to the purchase
and support of negroes, who are to be set
at liberty to compete with and degrade labor
of white men in the Northern free States.

Resolved, That every political act of this
Administration based upon the principles
and policy of the Chicago Platform, and
looking to the emancipation of the negroes
of the South, receives our condemnation,
while every patriotic constitutional effort to
maintain the Government and preserve the
Constitution receives our cordial approba-
tion.

Resolved, That we treat with utter con-
tempt the charge that Democrats are Dis-
unionists and sympathize with the rebels in
their efforts to subvert the laws and over-
throw the Government; and we hereby hurl
back the slanderous charge, and brand our
slanders with being the only Secessionists
and aiders of rebellion in the North, who
sympathize with the rebels in their efforts
to overthrow the Government; and look upon
Abolitionists North and Secessionists
South as equally opposed to the Govern-
ment, and laboring for the same ends.

COMMUNICATED.
The Democratic and Conservative
Members of Congress held a meeting in
Washington on 28th of June, and reaffirmed
the Crittenden resolution of last year, which
declares the maintenance of the Constitution
and the preservation of the Union the only
legitimate objects of the war. A series of
resolutions explanatory of that declaration
was adopted.

Ex-President Van Buren, (now eighty
years old,) is suffering from a dangerous af-
fection of the throat, or bronchial organs.

The Stars and Stripes now wave over
the remains of every dead President of the
United States except those of James Monroe,
whose remains were taken, some years since,
from New York to Richmond.

Doctor Breckinridge, said in a re-
cent speech in the Old School General As-
sembly, that "the worst treason had been
talked to him in the North."

Gold has advanced to 12 per cent
premium, in New York City.

The New York Post says, that Con-
gress will probably adjourn early next week.

S. RAND as a Democratic candidate for the

NOTICE!

TO THE TAX-PAYERS OF MASON
COUNTY!!

By a recent act of the Legislature it is
made my duty, immediately after the 1st of
June to proceed with the Collection of the pub-
lic Revenue as speedily as possible. By the
same act it is made my duty to report, at the
July, September and November County
Courts, the amount of tax collected and pay
the same over to the Auditor. I am authorized
under said act to notify the Tax-Payers by pub-
lic notice stuck up at the Court-house door, and
in the different Precincts, or districts of the
County, that on certain days between the 1st of
September, and the 15th of October, I, or my
deputies, will attend at the place of holding elec-
tion in such districts and receive their taxes.
It is made the duty of the tax-payers to attend on
such days and pay the same. If this is not done,
after that date they will have to pay the same at
the Court-house; and if not done there within
the time prescribed by law, ten per cent. upon
the amount added. Thus it will be seen that it
will be to the interest of the tax-payers to see to
it that their taxes are paid, within the time pre-
scribed by law, as after that time I shall have
to add the ten per cent. imposed by law, to their
bills when I come to collect. This I shall be
compelled to do as I shall have to advance the
Revenue due by such delinquents and enforce
payment at once with the costs to reimburse my-
self. By paying attention to the matter and
promptness, the thing will work first rate. The
people have the same time, as heretofore, within
which to pay their taxes. The only difference
being that they shall give the matter attention
themselves and see to the payment at the times
and places prescribed, instead of the old way of
having the Sheriff call half dozen times, more or
less, for their taxes. The law is plain, simple,
and to the point, and I intend to comply with its
provisions and enforce its penalties, and this
notice is given to call the attention of the people
to it, so that no harm may be done any one, in
consequence of their ignorance of the law. The
time and place at which I, or my deputies, will
attend in the different Precincts to receive taxes
between the 1st September, and the 15th of Oc-
tober, will be advertised by public notice stuck
up as required by law. In the mean time, let
every one pay up their taxes, when called upon be-
tween this and that time, that a good account of
the promptness of the people of the county may
be reported to the auditor at the July and Sep-
tember terms of our Court.

Respectfully,
W. W. BALDWIN,
Sherriff of Mason County.
